

• Made to measure in Smeaton Grange NSW

Classic Stacking Door

A multi panel aluminium stacker door from the Carinya Classic range. Two or more panels slide and stack behind each other to open up wide alfresco and patio openings, made to measure in Smeaton Grange.

2700mm

Maximum panel height

1500mm

Maximum panel width

160kg

Heavy duty roller rating

18mm

Double glazed unit accepted

About the Door

Opens wider than a standard two panel slider. Panels stay inside the frame, nothing swings into the room.

Every door is built to your exact opening at our Blackmore Road workshop in Smeaton Grange. You choose the layout, glass, colour and screens, and the same team that builds it installs it.

Installed across Macarthur

Smeaton Grange

Oran Park

Gregory Hills

Harrington Park

Gledswood Hills

Narellan

Minto

Campbelltown

Key Features

- ✓ Panels **stack behind each other** to open up to two thirds of the opening
