Corner blocks per sash

Lockable
Lockable handle option

DG
Double glazing option

About the Window

Top and bottom ventilation. Corner blocks for a rigid, square sash.

Every window is built to your exact opening at our Blackmore Road workshop in Smeaton Grange. You choose the layout, glass, colour and screens, and the same team that builds it installs it.

Installed across Macarthur

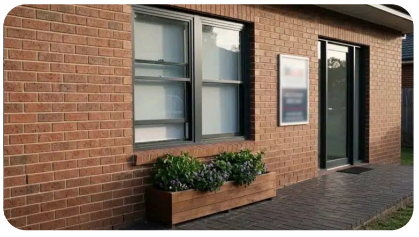

Smeaton Grange · Oran Park · Gregory Hills · Harrington Park · Gledswood Hills · Narellan · Minto · Campbelltown

Key Features

- Classic vertical sliding design for heritage and modern homes
- Both sashes move for flexible top and bottom ventilation
- **Corner blocks** in all four corners of the sashes for rigidity and less twist
- Tilt in sash options for fast, safe interior cleaning
- Full perimeter weather seals reduce air, water and dust infiltration
- Lockable or non lockable handle options with matching hardware
- Single and double glazing options for comfort and noise control
